UNFINISHED BUSINESS

Review Draft of Potential Revisions to Statutes for LPCMH's, LMFT's & LCDP's

The Committee was advised that no feedback was submitted in regard to the proposed LPCMH statute. They began review the potential revisions to the LPCMH statute

The Committee discussed the four year licensure period for LACMH's. If a LACMH is unable to obtain their required experience hours in a four year period of time, currently the Board has no authority to grant an extension. It was suggested that the LACMH's have the opportunity to renew their license up twice; giving the LACMH a maximum of six years to accrue the required experience hours.

The Committee discussed and made potential changes to the proposed definitions, in an effort to make the definitions clear. Ms. Singh will circulate a draft of the changes to the Committee for review prior to the August 27, 2014 meeting.
